Limited Liability Statement/Personal Liability Insurance

As a member of a snowmobile club, I the undersigned, owner of the snowmobile described above, declare that I am liable for the use of a trail in conformance with the snowmobile laws and rules of the State of Vermont. Without limiting the generality of the foregoing, I declare that I am well aware of the risks related to the presence of tree branches, stones and soil on the trail as well as the risks related to the maintenance and signing of a trail. I consequently declare that I deny my own recourse to any damage, be it of any kind, that could happen to me in the use of a trail.

I also pledge that I will inform any person to whom I would lend or rent the snowmobile that I own, of the risks above mentioned and will advise them that the association, the club or the owner of the trail do not assume any responsibility for the damages they could undergo while using a trail.

Effective September 1, 2003 - all individuals operating a snowmobile, in Vermont on the statewide snowmobile trails system, shall have a liability insurance policy or bond in the amounts of at least \$25,000 for one person and \$50,000 for two or more persons killed or injured and \$10,000 for damages to property in any one accident. In lieu thereof, evidence of self-insurance in the amount of \$115,000 must be filed with the commissioner. You must carry proof of insurance and show it upon demand.
